Massage Description

Traditional Thai Massage

This massage uses thumbs and palms to concentrate on the meridian of the body and includes some stretching to stimulate energy flow, unlock energy and create an overall feeling of well-being with improved circulation.

Traditional Thai Massage with Hot Herbal Compress

Stretching, acupressure and hot herbal compress combine to provide the most in muscular and mental relaxation.

Remedial Massage

This full body massage will ease tight muscles in the back, neck and shoulder area. Excellent for recovering from treating specific problems and injuries, ideal for people who prefer deeper massage.

Massage Description

Relaxing Back, Neck and Shoulder Massage

The ideal massage to combat stiffness and stress with movements performed to concentrate on the back, neck and shoulder. This technique ease muscles tension and releases stiffness.

Aromatherapy Massage

This is a combination of a sense of smell and touch to achieve a healing effect on the whole body. A selection of essential oil will be presented to you to choose from them pressure point massage that will leave you calm, balance and relaxed.

Authentic Grand View Massage

Massage, traditionally know in Indai as "Champissage", is a treatment based on old ayurvedic techniques to help reduce stress and fatigue, increase mental clarity, relax and rejuvinate the receiver. IHM is also used to aid the condition and health of the hair, particularly when combined natural organic oil.

Facial Description

Refreshing facials include deep cleaning, exfoliation and massage for the face, neck, shoulder and hands.

Natural Thai Honey Facial

Age-old natural skin healers—the principle ingredients of the facial are honey, tomato and carrot mask.

These natural ingredients reduce the discomfort of skin irritations and stem infection while promoting new cell growth.

Natural Mineral Facial Massage

This facial treatment uses pressure points to stimulate and relax the muscles and facial pressure where appropriate. The face is then wrapped in mineral scrub; follow by a facial pressure point massage using yogurt. Then another mask is used, this time of natural mineral clay know for its moistening and astringent properties. The massage concludes with an aromatherapy essential oil towel being placed over the face to absorb excess oil and refresh the skin—suitable for skin types.

Spiritual Nourishing Facial

A terrific blend of thai herbs combination with Spirulina, this mask is enriched with skin nutrients, amino acids, vitamins and minerals to promote healthy, lively skin cells. Reduces skin inflammation and skin sunburn problems.

Foot & Hand Description

Perfect Pedicure

Our luxurious aromatic bath is the perfect complement to any of our treatments. Sit back, relax and enjoy your private leisurely soak as part of package or as individual treatment.

Marvelous Manicure

This cosmetic beauty treatment for the finger, nails and hands can be enjoyed by both sexes and includes soaking both hands in a softening substance and application of hand lotion.

The word "Manicure" comes from the latin word "Manus" meaning "Hand" and "Cure" meaning "Care"
